

Book more conference hotels easily online.

No matter if you book hotels for your team buildings, product presentations for customers, trainings for executives, etc., occasionally or more often. You find and book your conference hotels on [seminargo.com](https://www.seminargo.com) completely **free of charge**.

Book Seminars Online - This is how it works:

1. Start Inquiry

Where will your meeting take place? On [seminargo.com](https://www.seminargo.com), simply enter the desired city, postcode, region or name of the hotel as well as the date and number of participants. At the touch of a button, the system provides you with an overview of all eligible locations. Continue with „Configure seminar details Now“

2. Compare prices

According to your individual configuration of the seminar details (room, technical, catering etc.) the total price for your event is calculated in net or gross.

You get very quickly a sense of how much you will cost the event. Use the Budget filter to constrain the selection.

3. Book Online

We are glad that you have found the ideal seminar location. Book your desired location online with a mouse click. The cancellation of the unelected hotels is automatic.
